Arranged by Residents Home contents insurance is strongly recommended. Residents are responsible for selecting their own provider.

Funding of capital expenditure

All capital expenditure (major repairs) for tenants is born from the rent that is paid.

Within the service charge there is an item called "amount set aside for replacements", this is a charge which goes towards the future replacement of items like: lifts, emergency call systems, door entry systems, fire alarms, communal carpets and furniture.

Constraints on letting

Tenants must satisfy the scheme's criteria (including age and support needs). The Staff will assess this prior to letting the property. If an individual has personal care needs, then this will be assessed prior to letting to ensure these can be met either by MHA or a care agency chosen by the tenant.
