#### **Charges when leaving**

**On going** Liability for the rent and service charge remains with the tenant or the Estate until the 4-week notice period has ended.

RedecorationYou will be required to allow MHA reasonable access to carry out any<br/>emergency repairs, to service the boiler and to carry out 6 monthly property<br/>inspections. MHA will make every effort to agree a convenient time with<br/>you for any work carried out.

MHA retain the right to carry out planned maintenance to your property if required. For example, replacing kitchens or bathrooms on a scheme. You do not have the right to refuse such work, but the Estates team will give you notice of such work and the scheme Staff will make arrangements for you to use communal kitchens and bathrooms during work periods.

Insurance	
Arranged by MHA	Buildings, Public Liability and Employers' Liability are all included in the service charge.
Arranged by Residents	Home contents insurance is strongly recommended. Residents are responsible for selecting their own provider.

#### Funding of capital expenditure

All capital expenditure (major repairs) for tenants is born from the rent that is paid.

Within the service charge there is an item called "amount set aside for replacements", this is a charge which goes towards the future replacement of items like: lifts, emergency call systems, door entry systems, fire alarms, communal carpets and furniture.

#### **Constraints on letting**

Tenants must satisfy the scheme's criteria (including age and support needs). The Staff will assess this prior to letting the property.
