Charges when leaving, selling or subletting

Contingency fee A contribution to the Contingency Fund is payable on sale or a transfer of ownership. The Fund covers spending for the repair or renewal of communal areas, roofs lifts, etc. The contribution is 1 % of the 'open market value' at the point of sale/ transfer, for each year or part-year of ownership.

For example: a leaseholder who sells a property owned for five years for £250,000 will have to pay £12,500 calculated as follows:

- 1% of £250,000 = £2,500
- 5 years x £2,500 = £12,500 = Contingency Fund Contribution

MHA Administration Fee for Sale Covers the costs of processing sale documents, dealing with enquiries from solicitors, and signing documents. The fee will be at least £372 including VAT.

Estate agency Charges Not applicable. MHA does not offer an estate agency service.

On going charges Liability for the service charge remains with the leaseholder or the Estate until ownership passes once again.

Redecoration costs The owner (or the owner's estate) will remain liable for all charges due until the buy back or resale has been completed. This includes the inclusive charges as applicable.

Owners to redecorate at least once in every seven years and in the event that the property is being sold back to MHA, the owners may need to redecorate otherwise they may be charged for any repairs and redecoration that MHA deems necessary to put the property in good order for them to re-sell.

Owners will have to pay the usual costs associated with any property sale.

Insurance

Arranged by MHA Buildings, Public Liability and Employers' Liability are all included in the service charge.

Arranged by Residents Home contents insurance is strongly recommended. Residents are responsible for selecting their own provider.

Funding of capital expenditure

The contingency fund is built up from deferred fees that are paid when properties are resold and the amount payable is determined by the terms of the lease. Contributions are also paid into the fund via the monthly service charge that act as a top-up to the contribution paid on resale.

The fund is built up to cover major works, such as roof replacement, lift replacement, doors/windows etc. and MHA maintain detailed stock condition information on a scheme-by-scheme basis to ensure that sufficient funds are available when work is required.

Each year, MHA publish the balance of the contingency fund within the scheme's service charge accounts, and this will advise leaseholders and potential customers on the balance and what work has been completed in the financial year that the accounts cover.

In order to protect contingency fund monies for leaseholders these are held in individual scheme bank accounts, and this information is provided within the annual service charge accounts.

Contingency fund monies can only be used for the purpose for which it has been collected and the fund belongs to leaseholders of the scheme. Contributions paid via the service charge will vary from year to year and will be based on the needs of the fund and the cost of future works. If there were insufficient monies in the contingency fund to complete required works, MHA would be able to charge the deficit of the fund, at the year end via the service charge accounts.

Constraints on selling

Purchasers must satisfy the scheme's criteria (Minimum age is 60 and support needs). The Staff will assess this prior to purchase.

The leasehold properties at Stanton Lodge are **Non-Guaranteed Buy Backs**, therefore, MHA has an option to buy-back if they wish.

If MHA chooses to exercise this option, they will buy back the property at 95% of the open market value as determined by an independent valuer.
