Charges when leaving, selling or subletting

Contingency fee A contribution to the Contingency Fund is payable on sale or a transfer of ownership. The Fund covers spending for the repair or renewal of communal areas, roofs, lifts, etc. The contribution is 0.5% of the open market value at the point of sale/ transfer, for each year or part-year of ownership.

For example: a leaseholder who sells a property owned for five years for £250,000 will have to pay £6250, calculated as follows:

- 0.5% of £250,000 = £1,250
5 years x £1,250 = £6,250 = Contingency Fund Contribution

Communal Facilities fee This Fee contributes to the costs of providing the communal facilities (restaurant, lounges, activity and craft room, guest suite, offices, mobility scooter store, hairdressing salon and specialist assisted spa and therapy room). The fee is 1.25% of the open market value of the apartment per year of ownership. Any part year will be calculated as a full year; capped at 10 years.

For example: a leaseholder who sells a property owned for five years for £250,000 will have to pay £15,625, calculated as follows:

- 1.25% of £250,000 = £3,125
5 years x £3,125 = £15,625 = Communal Facilities Fee

MHA Administration Fee for Sale Covers the costs of processing sale documents, dealing with enquiries from solicitors, and signing documents. The fee will be at least £372 including VAT.

Estate agency charges Not applicable. MHA does not offer an estate agency service.

Ongoing charges The owner (or the owner's estate) will remain liable for all charges due until the buy back or resale has been completed.

Redecoration costs Owners to redecorate at least once in every seven years.

Subletting charges Subtenants will be liable for all the changes shown in these key facts.

Insurance

Arranged by MHA Buildings, Public Liability and Employers' Liability are all included in the service charge.

Arranged by residents Home contents insurance is strongly recommended. Residents are responsible for selecting their own provider.

Funding of major repairs

The contingency fund is built up from deferred fees that are paid when properties are resold and the amount payable is determined by the terms of the lease. The fund is built up to cover major works, such as roof replacement, lift replacement, doors/windows etc. and MHA maintain detailed stock condition information on a scheme-by-scheme basis to ensure that sufficient funds are available when work is required

Each year, MHA publish the balance of the contingency fund within the scheme's service charge accounts, and this will advise leaseholders and potential customers on the balance and what work has been completed in the financial year that the accounts cover.

In order to protect contingency fund monies for leaseholders these are held in individual scheme bank accounts, and this information is provided within the annual service charge accounts.

Contingency fund monies can only be used for the purpose for which it has been collected and the fund belongs to and is controlled by MHA. Contingency funds can go into deficit with MHA covering the cost of works as the freeholder. Leaseholders would not be required to "top up" the fund to cover works even if there was an insufficient balance.

Constraints on selling

Purchasers must satisfy the scheme's criteria (Minimum age is 55 and support needs). The Staff will assess this prior to purchase.

There is no option for MHA to buy back the properties at Adlington House, Wolstanton.
