Within the service charge there is also an item called "amount set aside for replacements", this is a charge which goes towards the future replacement of items like: lifts, emergency call systems, door entry systems, fire alarms, communal carpets and furniture.

## Constraints on letting

Tenants must satisfy the scheme's criteria (including age and support needs). The Staff will assess this prior to letting the property. If an individual has personal care needs, then this will be assessed prior to letting to ensure these can be met either by MHA or a care agency chosen by the tenant.

## Access responsibilities

### Access for inspections and maintenance

You will be required to allow MHA reasonable access to carry out any emergency repairs, to service the boiler and to carry out 6 monthly property inspections. MHA will make every effort to agree a convenient time with you for any work carried out.

### Access for repairs

MHA retain the right to carry out planned maintenance to your property if required. For example, replacing kitchens or bathrooms on a scheme. You do not have the right to refuse such work, but the Estates team will give you notice of such work and the scheme Staff will make arrangements for you to use communal kitchens and bathrooms during work periods.
